## EVENT OVERVIEW

The Really Rad Festival of Cyclocross is the continuation of the Plymouth Cyclocross that started in 1977 at the Plymouth Carver High School in Plymouth, Massachusetts. Upon moving to the Cape Cod Fairgrounds in 2016, the race was renamed and expanded upon.

In 2018, the RRFCX joined the USA Cycling ProCX calendar with the addition of UCI C2 races.

RRFCX aims to bring top class racing to the New England cyclocross calendar while remaining accessible to all riders, amateur and professional alike.
